

## "DIG IN" LYRICS

The fabric of your heart is wearing thin  
You're thinking of everywhere you've never been  
Your calendar is blank  
You've got nothing in the bank  
Another day another battle you can't win

You've been ducking from your troubles for so long  
That you forgot what it's like to stand up strong  
Your back is feeling weak  
You're on a losing streak  
I'm here to take you back where you belong

So dig in to my affection  
And I'll dig in to your soul  
I'm gonna give you the protection  
That'll keep you from the cold  
You don't need to look no further  
Cause I am here to stay  
I'm sending love in your direction  
That will never go away  
Never go away

And your doubts are even clearer  
As you're looking in the mirror  
But when your confidence is leaving  
I've got a love you can believe in

So dig in to my affection  
And I'll dig in to your soul  
I'm gonna give you the protection  
That'll keep you from the cold  
You don't need to look no further  
Cause I am here to stay  
I'm sending love in your direction  
That will never go away  
I'm sending love in your direction  
That will never go away
